INVITATION

Dear Colleagues,

It is with great pleasure we invite you to the 7th Asia-Oceanic Conference of Physical & Rehabilitation Medicine (AOCPRM 2020) in conjunction with the 34th Annual Congress of the Korean Academy of Rehabilitation Medicine (KARM), which will be held from April 23 to 26, 2020, at International Convention Center (ICC), Jeju, Korea.

AOCPRM has been held biannually since 2008 as one of most highly acclaimed conferences in the field of Physical & Rehabilitation Medicine. Under the theme "Innovative Rehabilitation in Asia Oceania," the diverse disciplines of Physical & Rehabilitation Medicine from the present to the future will be in focus. With an emphasis on innovation, distinguished speakers, professionals and researchers from various countries will present their latest findings from on-going and completed clinical trials with around 1,000 participants from around the world.

AOCPRM 2020 promises to be an exciting international festival for us to come together and share our experiences. The variety of informative and engaging social programs we are planning will provide a unique occasion for us to not only develop our network but also learn more about the beautiful island of Jeju, Korea.

We look forward to your participation in our Rehabilitation Medicine Festival beyond Asia Oceania!

Moon Suk Bang
Chairman, 7th Asia-Oceanic Conference
of Physical & Rehabilitation Medicine

Hee-Sang Kim
President, Korean Academy
of Rehabilitation Medicine
